Dear Mr. Wilker,

Thank you for donating \$2000 from the 2007 Ultimate Frisbee Tournament to the Autism Society of Greater Cincinnati in honor of Jackson Berger.

Your contribution will help improve the lives of individuals with autism and their families. Donations are especially appreciated in view of the increasing rate at which autism spectrum disorders are being diagnosed.

It is generosity such as yours that makes our community a better place for all its members, and in particular for families that are challenged to provide help for their loved ones with autism.

We are very grateful for your support.

Sincerely,

Judy Newport
